Glowing Goat Hoof & Coat Mineral Block

Product number: 81317

Product Information

Sweetlix® Glowing Goat Mineral Block is a complete mineral and vitamin block formulated especially for the nutritional needs of goats. Formulated with Bioplex® organic trace minerals, which are easily absorbed and readily metabolized for optimal nutrition.

- Supports improved skin, coat, and hoof quality
- Supports overall animal health and wellness
- Available in 5lb mineral block

Feeding Instructions

SWEETLIX® Glowing Goat Mineral Block is a complete mineral and vitamin block formulated especially for the nutritional needs of goats.

Feeding Recommendations

1. Feed 1 block per 15 head of goats. This allows all animals equal access to blocks.
2. Place the blocks where animals congregate. Locate blocks throughout the pasture, placing them near water and loafing areas. Maintain adequate distance between blocks (10 ft. minimum).
3. Do not allow animals to run out of blocks. When a block is two-thirds consumed, provide a new block near it. Place very small pieces in troughs or feed pans.
4. Goats should consume an average of 0.5-1.0 oz. per head daily.
5. Blocks can be fed to animals in confinement. Exact location of block to obtain desired consumption will vary between confinement feeding programs.
6. Feed as the only self-fed source of salt, other minerals and vitamins. Provide fresh, clean water at all times.

For additional information, please contact your SWEETLIX® representative.

CAUTION: USE AS DIRECTED. Consumption of selenium should not exceed 0.7 mg per head daily.

WARNING: This product, which contains added copper, should not be fed to sheep or any species with a low tolerance to supplemental copper.

Nutrition Information

Calcium, Min	14.00%
Calcium, Max	16.80%
Phosphorus, Min	6.00%

Salt, Min	15.00%
Salt, Max	18.00%
Magnesium, Min	1.50%
Cobalt, Min	25 ppm
Copper, Min	900 ppm
Copper, Max	925 ppm
Iodine, Min	240 ppm
Manganese, Min	4,500 ppm
Selenium, Min	15 ppm
Zinc, Min	4,500 ppm
Vitamin A, Min	200,000 IU/lb
Vitamin D-3, Min	20,000 IU/lb
Vitamin E, Min	200 IU/lb
